International Conference on Autism and Symposium on Autism Education and Development in Mainland and Hong Kong, under the theme “Alone but not Lonely - Exploring Life Possibilities for ASD”, is organized by “Across-aged Utilization of Technology & Innovation for Social Missions” (A.U.T.I.S.M.) and funded by Bank Of China (Hong Kong).

This Conference invites experts and scholars from abroad, Mainland China and Hong Kong to share their views. It provides a platform for colleagues to exchange on the latest development in autism research and intervention; and to promote the physical, mental, social and spiritual health in the autism community, thereby expanding their life possibilities.

The Conference also takes this opportunity to connect special education institutions and units in the Mainland and Hong Kong and form the “Autism Education Development Alliance”. We hope to bring together the strengths of all parties to contribute to the special education circles in both places, which will play a leading role in the industry.

A.U.T.I.S.M. project sincerely invites all walks of life to participate in this grand event and work hand-in-hand with the ASD community to establish an inclusive society!

自閉症創科應用終身支援計劃

Across-aged Utilization of Technology & Innovation for Social Missions (A.U.T.I.S.M.)

計劃簡介

「自閉症創科應用終身支援計劃」(A.U.T.I.S.M.)由基督教中國佈道會聖道學校主辦，香港中文大學聯合主辦，中國銀行(香港)資助，於2021年正式展開服務，為1-50歲自閉症譜系人士於各個生命階段提供相關的介入治療，並為其家庭成員提供適切的輔導，從而達至「拓展才華，激活家庭，連繫社會」的計劃目標。

本計劃重視社區合作及跨專業支援，連繫官、商、社、民等團體為自閉症譜系人士及其家庭提供多元化社區體驗及活動。此外，計劃緊貼最新自閉症介入策略的發展，與香港數間大學團隊合作以創新科技元素及人本治療方案，全面照顧自閉症譜系人士及其照顧者之身、心、社、靈全人健康。

計劃截至目前為止已服務超過十六萬人次，並結連各界的策略伙伴全面推行，得到社會認同，成果有目共睹。

計劃資助機構中國銀行(香港)亦藉本計劃在《彭博商業周刊》的「ESG領先企業大獎2023」中榮獲「領先社區項目獎」，該獎項亦促使大眾倍加關注自閉症譜系社群所需。計劃團隊將繼續努力推動跨界別合作，匯聚內地和香港特殊教育界的力量，拓闊自閉症譜系人士生命的潛能。
